HP LaserJet M111a Printer

An efficient, high-quality printer that fits your space and your budget. Get fast printing from HP's smallest laser, plus the time-saving HP Smart app.[1,2] Count on professional-quality laser printing and seamless setup.

This printer is intended to work only with cartridges that have a new or reused HP chip, and it uses dynamic security measures to block cartridges using a non-HP chip. Periodic firmware updates will maintain the effectiveness of these measures and block cartridges that previously worked. A reused HP chip enables the use of reused, remanufactured, and refilled cartridges. More at: http://www.hp.com/learn/ds
